

BETTY SHIN BINON (STEMS & FORKS)

Photographer | Botanical Sculptor | Food Stylist

Welcome to Stems & Forks.

Created by Betty Binon, Stems & Forks was established in 2017 to showcase all her creative musings: recipes, photography and botanical sculptures. Betty has built a successful multi-faceted brand after nearly twenty years in the floral design business. She sold the thriving business in 2013 to embrace a balanced lifestyle with more family time and immersion in all things creative.

Since the shift in career, Binon's photography and video is highly sought-after by brands for her distinct chiaroscuro style and visual storytelling. Her global workshops sell out to prominent artists and content creators around the world.

Just a few brands Binon freelances for include [CBC](#), [Kate Hudson's King Street Vodka](#), [Produce Made Simple](#), [Lindt](#), [Tatine](#), [Metro Ontario](#) and [Paderno](#). Betty Binon has also been featured in numerous International publications, [Vogue Greece](#), [King Arthur Sift](#), [Where Women Cook](#), [Thrive](#), [enRoute by AirCanada](#), [Kids Magazine](#), [France](#).
